

# Summer Wind Chime

## Can Craft

### Materials:

- Empty, clean cans
- Brush
- Paint
- String
- Nail
- Hammer
- Paperclips

### Directions:

1. Remove outside label from can
2. Paint outside of cans with desired paint color(s).
3. Allow 24 hours for the cans to dry.
4. Repeat steps if you decide to add colors and patterns.
5. Use a nail and hammer to create a hole on the bottom of the can\*
6. Tie string to a paperclip and insert in the can so the string goes through the hole, but the paperclip does not.
7. Insert loose string to other cans (follow step 6) and hang cans at different levels.
8. Hang your finished Summer wind chime outside
9. Enjoy!

*\*Please use adult supervision for this step*

*Tip: Use a smooth edge can opener to ensure there are not sharp edges.*
