

Halloween Candy Can

Can Craft

Materials:

- Empty, clean can (save the label as a template)
- Orange paper or fabric
- Ruler
- Scissors
- Pen or pencil
- Double-sided tape
- Printout of jack-o-lantern faces (next page)

Directions:

1. Lay the fabric or paper on a flat surface. Place the can label on top of it and outline the edges, using the ruler as needed.
2. Cut out along the drawn lines.
3. Place double-sided tape on the back of your fabric, on the short end. Affix to can. Then wrap fabric or paper around can and affix the other end with tape.
4. Cutout desired facial features from the print out.
5. Affix the face to the can with tape, trimming any overhanging tape as needed.
6. Fill with candy to share on your desk or coffee table.

Tip: Use a smooth edge can opener to ensure there are not sharp edges.
